fried in 100% Peanut Oil in our
restaurant. We only use All Breast
Meat Turkey

TURKEY BITES

All Breast Meat Turkey is Buttermilk
Breaded and Hand Battered, then
fried again to give it some crunch.
Available Plain w/ Dipping Sauce or
Tossed in a Sauce

MASHED POTATOES

Our Russet Potatoes are cubed,
boiled, and mashed (skin is left on)
Then, they are mixed together in
our Garlic Pepper Cream Blend.

CORNBREAD STUFFING

Our Cornbread Stuffing is the
perfect compliment to our turkey
and makes it feel like Thanksgiving
every day! The diced celery and
onions, along with the turkey fat &
real butter gives it the extra pop
that sets this stuffing apart.
